

## *A Platform for Purpose Part 2*

***It's the Gala time of the year.*** This year instead of one virtual gala program night, our board and staff invite you to join us during the entire month of May for some exciting educational experiences. **You can meet our staff, learn more about our services, hear testimonials and the vision of how Concepts of Truth International will *Continue the Conversation!*** We need everyone to ***Bring Your Plate!***

**Will you help us? See the enclosed Gala Sponsor/Underwriting Form.**

People are hungry for help. Many are in emotional poverty from relationship problems, depression, suicidal thoughts and attempts, and sadness from a miscarriage or abortion. Many youth are struggling to find answers of their self-worth and need sexual health education.

Concepts of Truth's Gala table is set with resources and people are lining up to get their food but they need a plate. **Will you help sponsor eight or more?** One plate of our services to fill a hungry heart can provide . . .sexual health education classes in public schools; training leaders in our curriculum models; a 24/7 phone number staffed by consultants who have experienced the emotional pain of trauma but have healed to help others.

That phone call then provides resources to local counseling centers and small groups for reproductive loss such as abortion and miscarriage, sexual trauma, and sexual health.

**Your donation as a Gala Sponsor/Underwriter** helps sustain and expand our much-needed direct services.

As a Heart of Gold sponsor of \$300 or more we will send a personal letter from you to the others whom you may want to invite to join us. We will provide a link to our Gala Time of The Year/Meet our Staff and Testimonial nights throughout the month of May and also include a DVD of our services and vision so others can join you to fill those hungry hearts of individuals, youth, and families in need.

Please see the enclosed Gala Sponsor form, check the level of sponsorship, list the names and addresses of those who you would want to get involved. **Please return the form in the self-addressed envelope by April 1<sup>st</sup>** so we can send a personal letter from you as a Heart of Gold Sponsor.

Because life matters and . . . ***It's the Gala Time of the Year!***

Thank you,  
Concepts of Truth International
