

Leader Training: *Reproducing Healing Communities*

Wednesday, March 11, 2020 12-2:00 PM

Over 1 billion women and men in the world are suffering in silence and feel like their world is falling apart. They cannot see the bigger picture of their lives. They are seeing only one piece and can't figure how it fits the image of themselves.

There is HOPE!

You can help the pieces fall into place by using your human story of trauma, grief, and loss to heal the broken and wounded heart, sustaining life, empowering the whole person and reproducing healing communities.

YOU ARE INVITED to be Educated in Storytelling.
